13P/12V 100% waterproof "JAEGER Expert" socket (ISO 11446)

Art.Nr.	121322
Part. No.	121322

Industry Cars No. of poles 13 Voltage [in V] 12 Standard ISO 11446 Special feature built-in socket Packaging PE bag Content of package Seal, contacts, single wire seals, contact insert, cover cap Design/Version built-in socket Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement JAEGER Expert	Product group	Socket
Voltage [in V] 12 Standard ISO 11446 Special feature built-in socket Packaging PE bag Content of package seal, contacts, single wire seals, contact insert, cover cap Design/Version built-in socket Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Industry	Cars
Standard ISO 11446 Special feature built-in socket Packaging PE bag Content of package seal, contacts, single wire seals, contact insert, cover cap Design/Version built-in socket Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Contact insert color black Contact usert color black Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	No. of poles	13
Special feature built-in socket Packaging PE bag Content of package seal, contacts, single wire seals, contact insert, cover cap Design/Version built-in socket Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Contact insert color black Contact tinsert color black Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement	Voltage [in V]	12
Packaging PE bag Content of package seal, contacts, single wire seals, contact insert, cover cap Design/Version built-in socket Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Contact insert color black Contact surface seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Standard	ISO 11446
Content of package Seal, contacts, single wire seals, contact insert, cover cap Design/Version Built-in socket Housing material Housing color Black Cover material Cover color Contact insert color Cable outlet Seal can be positioned in steps of 30° Contact surface Contact termination Contact termination Type of seal Protection Product supplement Seal, contacts, single wire seals, contact insert, cover cap Built-in socket reinforced composite Product supplement Seal composite Seal Seal can be positioned in steps of 30° Contact termination Crimp contact Seal Product supplement 100% waterproof	Special feature	built-in socket
Design/Version built-in socket Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Packaging	PE bag
Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Content of package	seal, contacts, single wire seals, contact insert, cover cap
Housing color black Cover material reinforced composite Cover color black Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Design/Version	built-in socket
Cover material reinforced composite Cover color black Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Housing material	reinforced composite
Cover color black Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Housing color	black
Contact insert color black Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Cover material	reinforced composite
Cable outlet seal can be positioned in steps of 30° Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Cover color	black
Contact surface nickel (Ni) Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Contact insert color	black
Contact termination crimp contact Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Cable outlet	seal can be positioned in steps of 30°
Type of seal seal Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Contact surface	nickel (Ni)
Protection IP X9K,IP X7,IP 54 Product supplement 100% waterproof	Contact termination	crimp contact
Product supplement 100% waterproof	Type of seal	seal
·	Protection	IP X9K,IP X7,IP 54
Brand JAEGER Expert	Product supplement	100% waterproof
	Brand	JAEGER Expert
