## 15P/24V "JAEGER Basic" socket (ISO 12098 ADR)

Art.Nr.	141168
Part. No.	141100

Industry         Commercial vehicles           Area of application         Towing vehicle           No. of poles         15           Voltage [in V]         24           Standard         ISO 12098           Addition to standard         ADR           Special feature         color coding for easy installation           Branding         ERICH JAEGER           Packaging         PE bag           Content of package         contacts, screw cap           Housing material         reinforced composite           Housing color         black           Cover material         reinforced composite           Cover color         black           Cable outlet         cap nut, cable outlet 180°           Contact version         contact pin with seal           Contact surface         nickel (Ni)           Contact termination         screw contact           Type of seal         screw cap           For cable diameter         12,00mm - 14,40mm           Protection         JAEGER Basic	Product group	Socket
No. of poles         15           Voltage [in V]         24           Standard         ISO 12098           Addition to standard         ADR           Special feature         color coding for easy installation           Branding         ERICH JAEGER           Packaging         PE bag           Content of package         contacts, screw cap           Housing material         reinforced composite           Housing color         black           Cover material         reinforced composite           Cover color         black           Cable outlet         cap nut, cable outlet 180°           Contact version         contact pin with seal           Contact surface         nickel (Ni)           Contact termination         screw contact           Type of seal         screw cap           For cable diameter         12,00mm - 14,40mm           Protection         IP X7,IP 54	Industry	Commercial vehicles
Voltage [in V] 24  Standard ISO 12098  Addition to standard ADR  Special feature color coding for easy installation  Branding ERICH JAEGER  Packaging PE bag  Content of package contacts, screw cap  Housing material reinforced composite  Housing color black  Cover material reinforced composite  Cover color black  Cap nut, cable outlet 180°  Contact version contact pin with seal  Contact termination screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Area of application	Towing vehicle
Standard ISO 12098 Addition to standard ADR Special feature color coding for easy installation Branding ERICH JAEGER Packaging PE bag Content of package contacts, screw cap Housing material reinforced composite Housing color black Cover material reinforced composite Cover color black Cover color black Cotable outlet cap nut, cable outlet 180° Contact version contact pin with seal Contact termination screw contact Type of seal screw cap For cable diameter 12,00mm - 14,40mm Protection IP X7,IP 54	No. of poles	15
Addition to standard ADR  Special feature color coding for easy installation  Branding ERICH JAEGER  Packaging PE bag  Content of package contacts, screw cap  Housing material reinforced composite  Housing color black  Cover material reinforced composite  Cover color black  Cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Voltage [in V]	24
Special feature color coding for easy installation  Branding ERICH JAEGER  Packaging PE bag  Content of package contacts, screw cap  Housing material reinforced composite  Housing color black  Cover material reinforced composite  Cover color black  Cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Standard	ISO 12098
Branding ERICH JAEGER  Packaging PE bag  Content of package contacts, screw cap  Housing material reinforced composite  Housing color black  Cover material reinforced composite  Cover color black  Cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Addition to standard	ADR
Packaging PE bag  Content of package contacts, screw cap  Housing material reinforced composite  Housing color black  Cover material reinforced composite  Cover color black  Cable outlet cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Special feature	color coding for easy installation
Content of package contacts, screw cap  Housing material reinforced composite  Housing color black  Cover material reinforced composite  Cover color black  Cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection Index of the screw cap	Branding	ERICH JAEGER
Housing material reinforced composite  Housing color black  Cover material reinforced composite  Cover color black  Cable outlet cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Packaging	PE bag
Housing color black  Cover material reinforced composite  Cover color black  Cable outlet cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection lblack	Content of package	contacts, screw cap
Cover material reinforced composite  Cover color black  Cable outlet cap nut, cable outlet 180°  Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Housing material	reinforced composite
Cover color         black           Cable outlet         cap nut, cable outlet 180°           Contact version         contact pin with seal           Contact surface         nickel (Ni)           Contact termination         screw contact           Type of seal         screw cap           For cable diameter         12,00mm - 14,40mm           Protection         IP X7,IP 54	Housing color	black
Cable outlet cap nut, cable outlet 180° Contact version contact pin with seal Contact surface nickel (Ni) Contact termination screw contact Type of seal screw cap For cable diameter 12,00mm - 14,40mm Protection IP X7,IP 54	Cover material	reinforced composite
Contact version contact pin with seal  Contact surface nickel (Ni)  Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Cover color	black
Contact surface         nickel (Ni)           Contact termination         screw contact           Type of seal         screw cap           For cable diameter         12,00mm - 14,40mm           Protection         IP X7,IP 54	Cable outlet	cap nut, cable outlet 180°
Contact termination screw contact  Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Contact version	contact pin with seal
Type of seal screw cap  For cable diameter 12,00mm - 14,40mm  Protection IP X7,IP 54	Contact surface	nickel (Ni)
For cable diameter         12,00mm - 14,40mm           Protection         IP X7,IP 54	Contact termination	screw contact
Protection IP X7,IP 54	Type of seal	screw cap
	For cable diameter	12,00mm - 14,40mm
Brand JAEGER Basic	Protection	IP X7,IP 54
	Brand	JAEGER Basic
