

2P/6-24V(16A) (hand lamp-) socket (ISO 4165)

Art.Nr.
Part. No.

151065

Product group	Socket
Industry	Agriculture
No. of poles	2
Voltage [in V]	6-24
Rated current / permanent load [in A]	16.0
Standard	ISO 4165
Content of package	hexagon nut (M18)
Design/Version	unslotted
Housing material	reinforced composite
Housing color	black
Cover version	with cover
Cover material	reinforced composite
Cover color	white with letter insert "12V 180W"
Contact termination	plug-in contact
Features of plug-in contacts	flat terminal
Size of plug-in contacts	6.3mm
Protection	IP 20
Product supplement	(hand lamp-)
