

DATAsheet

3P/6-24V(25A) socket (DIN 9680)

Art.Nr. Part. No.	151131

Product group	Socket
Industry	Agriculture
No. of poles	3
Voltage [in V]	6-24
Rated current / permanent load [in A]	25.0
Standard	DIN 9680
Packaging	without packaging
Content of package	cap nut
Design/Version	with 2-bolt-flange
Housing material	reinforced composite
Housing color	black
Cover material	reinforced composite
Cover color	black
Cable outlet	PG16, cap nut
Contact version	contact sleeve
Contact surface	nickel (Ni)
Contact termination	plug-in contact
Features of plug-in contacts	flat terminal
Type of seal	screw cap
For cable diameter	7,00mm - 9,00mm
Protection	IP X4,IP 54
