2P/6-24V(16A) (multi-purpose-) plug (ISO 4165 / SAE J563)

Art.Nr. Part. No.	251003

Product group	Plug
Industry	Agriculture
No. of poles	2
Voltage [in V]	6-24
Rated current / permanent load [in A]	16.0
Standard	ISO 4165 / SAE J563
Special feature	without fuse, incl. adapter for SAE J563
Housing material	reinforced composite
Housing color	black
Contact surface	nickel (Ni)
Contact termination	screw contact
Protection	IP 20
Suitable for	handlamp socket, cigarette-lighter
Product supplement	(multi-purpose-)
